Starting from Buxton Street, Deakin, this circuit walk gives you a mini tour of the northern part of the Red Hill Nature Reserve via various fire trails and loops back. After you enjoy the panoramic views over Canberra from the lookout, you'll pass by "The TARDIS". Try and knock the door, who knows, maybe the infamous doctor is in. Even if he isn't, you still have the option to birdwatch, as there are plenty of bird species in the reserve. The area tends to be busy on the weekends, so try to schedule the walk on a weekday if you want to avoid the crowd. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
