

Brown Hill Creek Circuit

5.9 km
Circuit

↑ 289 m
↓ 288 m

Moderate track

Starting from the car park at the end of Carrick Hill Drive, Springfield, this walk takes you up to Brown Hill and then aligns with Brownhill Creek before circling back to the start. The Brown Hill Creek Circuit offers stunning views of Adelaide city from the top of Brown Hill while also taking you through grassy open woodlands along the way. The creek itself is a highlight, rushing, burbling and providing refreshing scenery. Along the track, you might encounter a herd of cows, which are usually friendly and chill. However, this has a downside which is cow dung and flies. The downhill may be challenging for those with knee problems. After rainfall, it can get wet and muddy, especially around creek crossings. Despite these challenges, the beautiful scenery and views make the Brown Hill Creek Circuit worth the effort for many. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
