Starting from the car park off Gatehouse Street, Parkville, this circuit walk gives you a tour of the southern half of the Royal Park, circling around the Native grasslands along the way. The park has heaps of bird species, making it an excellent destination for birdwatchers. Dogs are allowed off-leash around the Native grasslands and on-leash on the rest of the track. This park is a good place to forget how close you are to the city centre and refuel your mind. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
