Starting from Scarborough Beach car park, Scarborough, this one-way walk takes you to the Albatross Canal from the beach via the Moreton Bay Cycleway. This journey offers a refreshing experience with stunning coastal views, including the Glass House Mountains on a clear day. Casuarina and cotton trees dominate the area, providing ample shade and ambience. Additionally, there's a playground where children can actually climb some of the cotton trees. The trail is perfect for a leisurely stroll or bike ride, and dogs are allowed on-leash. There are multiple cafes and picnic shelters where you can stop and soak in the views while refuelling. Speaking of soaking, don't forget to cool off and sunbathe at the beach. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
