Moderate track

Starting from Burrong Falls Car Park, Zumsteins, this return walk takes you to Burrong Falls and back. Burrong Falls has a multitiered seasonal waterfall system with the sections of water trickling down one over the other. You can enjoy the waterfall, especially after Spring rain, while sitting alongside the paddling pools and refreshing under the freshwater. The path to the waterfall can be steep and rocky in certain sections, so you might want to wear hiking shoes or a suitable pair of sneakers. Additionally, The last 20metres of the walk features a downhill to the falls through a dense bush setting, which can be tricky to pass through. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
