Hard track

This walk visits all of the popular locations in Green Point Reserve, as well as some of the lesser-visited areas inland. Taking in Sea Eagle Park, Green Point and Rocky-high viewpoint on the foreshore and then travel inland through mostly eucalyptus forest to enjoy the views at Sea Eagle Lookout, before completing this circuit walk back to your starting point. A varied walk that gives the walker an excellent sense of what Green Point Reserve has to offer. This walk is thoroughly recommended. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Getting started: From the car park (on The Shores Way, Green Point), this walk heads towards the lake past the toilet block and along the footpath for 25m, to a four-way intersection with a 'Welcome to Green Point Foreshore Reserve' sign (on the right).

Turn right: From the intersection, this walk follows the shared concrete cycle/footpath gently downhill, while keeping the Shores Way car park on your right and the water on your left. This walk continues, undulating for about 500m, until coming to the Jetty picnic area on the right and jetty on your left.

Start.

Find the car park at the start.

Find the Public Toilets at the start.

Turn right, to head along Green Point Track.

After another 80 m (at the intersection of Slips & Green Point Track) **continue straight**, to head along Green Point Track.

After another 400 m pass the water tap (25 m on your right). This water tap is wheelchair accessible.

After another 100 m find the "Jetty Picnic Area" (7 m on your right).

The Jetty Picnic area in the Green Point Foreshore Reserve on Lake Macquarie offers a public jetty, a sheltered picnic table, seating, a drinking fountain and historical interpretative signs. The historical signs detail the 'timber getting' period of Green Point from 1860, with the timber used to build jetty's, pit prop for coal mining, ships and boats. There is also an historical sign detailing 'The Cardiff Coal Company', which mined coal out of Green Point during a minor coal rush.

After another 50 m pass the toilet (50 m on your right).

After another 65 m find the "Sea Eagle Park" (65 m on your right).

Sea Eagle Park in Green Point Foreshore Reserve on Lake Macquarie is a large grassed picnic area, with a toilet, sheltered picnic tables, water from a tap and gas/electric barbeque's. This picnic area is particularly good for larger family group, for there is room to play ball games or just sit and look at the views. The short walk up to the Sea Eagle Lookouts is recommended for the commanding views south towards Swansea.
