Moderate track

Starting from the car park of O'Reilly's Rainforest Retreat, O'Reilly, this walk takes you to the Morans Falls Lookouts and back, exploring the rainforests of Lamington National Park. As you appreciate the serene ambiance and the beauty of the waterfall amidst the forest, remember to keep an ear out for the singing birds. The views from the waterfall lookouts are quite refreshing, but keep your head up whilst making your way to them. You'll be able to get some pretty views of the valley. The drive-up is also quite scenic, with wallabies hopping around on the sides of the road. The canopy protects you well from the sun, but also makes the track a bit more chilly so dress accordingly. Come early to avoid the crowd and have a more remote experience. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
