Smooth & flat

Starting from the Tolmer Falls Carpark, Litchfield Park, this walk takes you to two different lookouts near the Tolmer Falls via a singular sealed track, exploring the eucalypt forest of Litchfield NP along the way. Expect a wonderful, slick waterfall that plunges cascades down a rock face and plunges into a deep green pool. There are two lookouts that are both wheelchair accessible and have different points of view. The upper one gives you an unexpectedly panoramic view over the surrounding greenery whilst the lower one lets you see the picturesque waterfall in all its glory. Come after some decent rainfall to see the Tolmer Falls at its best. The ease of access and the bang-for-buck aspect of the walk tends to charm many people, so avoid peak hours to have a more secluded experience. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
