Starting from Halls Gap Campground, Halls Gap, this walk takes you to Borough Huts Campground via Mount Rosea Track, visiting Gate of the East Wind, Pinnacle Lookout, Silent Street, and Bridal Veil Falls along the way. This is the third of six segments of the Grampians Peaks Trail. You'll find the Venus Baths, naturally formed rock pools, and enormous sandstone gorges as you continue along the path. The Silent Street and its gigantic rock formations will welcome you just before you reach the Pinnacle Lookout, where you can enjoy the panoramic views of the surrounding area and rock formations. Towards the end of the journey, you'll arrive at the Chautauqua Lookout where you'll get to view the outcrops of rocky mountains and the scenery Lake Wartook offers. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
