

Beehive Falls

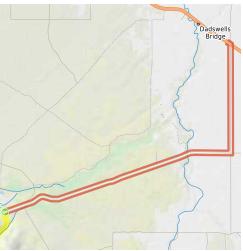

Starting from Beehive Falls Car park, Roses Gap, this return walk takes you to Beehive Falls and back. This walk is relatively easy and suitable for all ages while still offering scenic views from the Mount Difficult Range and one of the most beautiful waterfalls in the area. Reach to the base of the falls, where seasonal rains fill fern-lined rock pools. The walk is on a sandy path, but there are some rock steps near the falls. Additionally, You might want to bring fly repellents with you as well during the summer months. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
