From the car park on Mount Difficult Road, Halls Gap, this return walk takes you to Lake Wartook lookout and back. This walk is a short getaway that offers you 360 of the Grampians and Lake Wartook. You can watch the sun as it shines over the ranges of Grampians and Lake Wartook. Additionally, there is a wide variety of ancient rock formations through the walk for you to observe. It is relatively short with a steep section towards the middle and suitable for most fitness levels. The path is comprised of rock formations that can be slippery during the wet season, so you might want to wear grippy hiking shoes with ankle supports. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
