Easy track

Starting from the car park off Daisy Hill Road, Daisy Hill, this walk takes you to the Old Quarry Pond and back via the Quarry Road Track, exploring the diverse woodland along the way. One of the few decent places you can swim with your dog in Queensland, the old quarry pond is a haven for people with four-legged companions. With heaps of water lilies and a peaceful scenery, this little pond sits beautifully in nature. Take your time, have a pondside picnic and enjoy the serene ambience. The tracks leading up to and circling around the pond are wide and undulating, making them suitable for little children. Speaking of, your kids can ride their bikes alongside you throughout the track. Just keep an ear out for mountain bikers and horse riders. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
