# Hunter Lookout and Great North Walk loop <br> M <br> P27m <br> $\downarrow 277$ m <br> a <br> Hard track 

This loop track starts from the Hunter Lookout picnic area and follows the Great North Walk around the edge of the ridge via the Macleans Lookout, Rocky Creek gully and the cliffs around the eastern edge of the ridge. This walk provides great views across the valley and much of the Hunter to the north. On the return, the walk takes a leisurely stroll along the dirt roads, passing the pines plantation area and the rocky creek camping area. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Hunter Lookout can be found on Bakers Road, along the Great North Walk. This fenced lookout has everything you will need snack-stop, including toilets, picnic tables, chairs and woodfired barbecues. This lookout has fantastic views over much of the Hunter region. In 2010, a series of vandalism attacks occurred on the water tank, so water is no longer available at Hunter Lookout.
