Hard track

Starting from Hardey Road, Glen Forest, this great walk gives you a tour of the eastern outskirts of Perth via multiple railroad tracks. A comprehensive journey that usually takes two days, this track will take you through all kinds of environments. Along the way, you'll get views of Jane Brook and the waterfalls throughout the stream. If you want to embark on a journey that offers variety and interesting communities to explore, this one is a great choice. Mundaring Sculpture Park and Darlington Railway Platform are some of the points of interest. If you'd like to take your dog with you, you'll need to customize the journey and avoid entering national parks. And keep your four-legged friend on a leash too. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
