Starting from the gravel car park at the end of West Terrace Road, Kalamunda, this walk takes you on a circuit around Mundy Regional Park. This walk is suitable for dog owners that want to exercise and have a little walk with their friends while enjoying the panoramic views of Perth and traversing through the balgas and golden barked wandoos. The walk is best experienced between June to November when the wildflowers bloom. There are certain sections that are steep along the dirt track, and the facilities are limited, so you might want to wear sturdy hiking shoes and bring spare water with you. Even though the signs seem light blue, they were previously mauve, and you can easily find them when walking in an anti-clockwise direction. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
