Very challenging

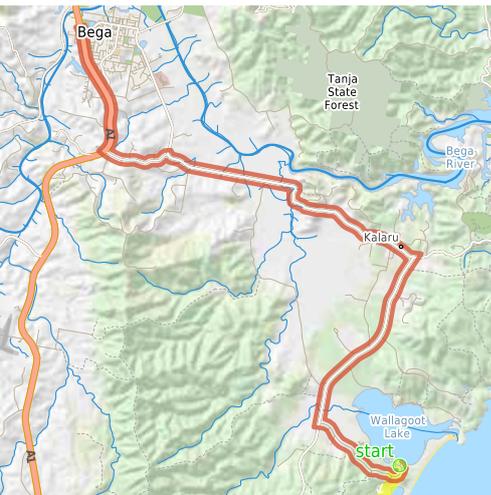

The walk from Hobart Beach Camping Area to Bondi Lake is an interesting one, mostly running parallel to the lake, which you can't see, till the very end. The walk is shaded for most of the way due to the thick heath surrounding the track until it opens out onto Bondi Lake (dry when we walked it). Let us begin by acknowledging the Yuin people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Bondi Lake lies south of Tathra, behind Bournda Beach in Bournda National Park. The lake, when filled, is a shallow body of fresh water, which is fed by streams all found within the National Park. The lake, when dry, resembles a paddock with many kangaroos grazing in the middle of the dry lake. The lake can be accessed by bush tracks from Bournda Lagoon car park or Hobart Beach camping area.
