Easy track

Starting from the car park on Percy Begg Circuit, Dunlop, this walk pivots around the West Belconnen Pond mostly via Bicentennial National Trail. Take this convenient pondside walk to relieve some stress if you need to, as it can serve as a quick getaway from the city. Enjoy a sandwich, or just lie down and listen to nature's sounds as the refreshing air near the water fills into your lungs. Your dog can also join you on this journey, although you might have to give him/her a good wash as the track can be muddy at some spots. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
